

## What parents/carers have said about Parent Support Workers:

*'I have been given lots of advice on where to go for additional support'*

*'It has been so comforting to talk about my concerns'*

*'I have been listened to for the first time in ages, and finally don't feel alone anymore'*

*'I received help and support encouraging my daughter back into school'*

*'Brilliant day!  
Thank you so much for all the effort and the variety of activities on offer'*

*'I was given advice about funding for school uniforms and even had help filling in the forms!'*

*'To speak to someone outside the family, and school, and be given advice and ideas for my child has really helped me'*

# Parent Support Workers

For friendly family advice and support for parents and carers of school age children and young people

## PARENT SUPPORT WORKERS

Please contact your child's school or Extended Services (01202 456379) for more information.

For additional free family information and advice for parents/carers of children & young people aged 0-19 years, Bournemouth Family Information Service provides details about:
