

**Summer Holidays 2015**  
**October Half Term 2015**  
**February Half Term 2016**

**Victoria Adventure Days** offer a wide variety of sporting, creative and outdoor activities for young people with physical disabilities.

Adventure Days run in all school holidays except Christmas holidays. All young people are supported by our specialist youth care workers. We provide high quality care and use our specialist facilities, such as the radio station and swimming pool.

Each day is centred around the young person's needs and all activities are adapted to ensure each person has an opportunity they will enjoy and remember, making new friends along the way.
