

Special Olympics Bournemouth & District was formed in 1997 and has grown steadily ever since. We are a friendly, vibrant and enthusiastic group with participants receiving coaching across 6 sports. We are always trying to develop into more.

Our sports:

Athletics at Kings Park, Bournemouth

Badminton at Littledown Leisure Centre, Bournemouth

Football at Winton Rec, Bournemouth

Swimming in conjunction with Swim Bournemouth, Ferndown

Tennis in conjunction with Southbourne Tennis Club

Table Tennis at YMCA, Winton Bournemouth

At Special Olympics Bournemouth & District we recognise ability in everyone. We develop our athletes' physical fitness, core skills and technique and do it all with a sense of fun. Our members also improve their self-esteem, confidence and social skills and make great friendships along the way.

All our volunteers will testify to the rewards they gain from knowing how much difference they make to the lives of a disadvantaged group of people so to find out more please contact Tony Jones-Pert:

'Supporting People With Ability'

Special Olympics is the country's largest provider of year-round sports training and competition programme for people with intellectual (learning) disabilities. We cater for all levels and abilities aged 8 upwards.

“Let me win, but if I cannot win let me be brave in the attempt”
