

Alice in Wonderland Production -

What a truly spectacular performance they achieved – the children were amazing. The quality of the production, efforts by the children and support from the staff team continue to go from strength to strength. It is a strong part of the school vision that all children have

the opportunity to shine on a stage and they certainly did! There are some definite stars of the future at Malmesbury Park! I would like to thank everyone who contributed to such a success.

Have you checked our Twitter account? There are photos of the Black Tie performance.

ICT monies – It is with great delight that I inform you that Reach South have successfully been awarded monies to be used across the trust schools to purchase new hardware or make improvements to the infrastructure to our ICT system. We have been awarded £24,000. We are going to use the monies to install a new server, have new wifi and purchase a new PC for each classroom, for the teachers to access. We are using the monies to ensure that the children can access a faster, more streamlined system which will be so much better for them when working.

Library bus – The official opening will be just before the whole school picnic on Friday 19th July at 1.30pm. There will be a short official opening ceremony. All parents in FS2 – Y5 will be given a specific time slot to come

and look around the bus in early September. However, if you are in Y6 you will be able to visit the bus before the end of the term – further information will be given in due course.

Our focus now with the library bus is to get as many books as possible for it. Therefore, at the school picnic, it will be possible for you to purchase book plates for £2.50, £5.00 and £10.00 which will be inserted into a book with your name on.

Midday Supervisor Vacancy – We have a vacancy for a midday supervisor to join the team. The role is for 1.5hrs/day every weekday during term time. For more information, visit the school website. To apply, visit: <https://www.reachsouth.org/applications>

Spare Underwear for Children – We sometimes find that children have no spare pants or socks in school. We would like to build up a collection of spares that we can use in an emergency situation. If you have any which you think would be suitable and would be willing to donate, please drop these into the school office. Thank you.

Sports Days – It is really important that children do experience competitive sports and, as a result, the following sports days will be happening next week:

Monday 24th June – FS1 sports morning and afternoon
Tuesday 25th June – KS1 sports afternoon
Wednesday 26th June – KS2 sports afternoon at Winton Recreation Ground
Friday 28th June – FS2 sports afternoon

Please do come and join us to help cheer the children on. However, should the weather be inclement, then it may be possible that the event will be cancelled. Please note that, due to the complexities of the timetable for the summer term, it is simply not possible to offer an alternative date. Should we need to cancel then we will contact you all via the texting service.

Malmesbury Park at the BSO - Space and Exploration Concert - "That wasn't just a good day, that was an awesome day!"- Year 4 pupil.

On Wednesday 19th June, all of year 4 went to The Lighthouse in Poole to see the Bournemouth Symphony Orchestra. Despite the train strike, we made the journey there and back without a hitch! The children were able to hear Holst Jupiter and the music from 2001 A Space Odyssey and the theme from E.T., as well as joining in with the songs and body percussion that they have been working really hard to learn over the last few weeks. The children were amazing and behaved beautifully all day. They listened to the orchestra respectfully and were so sensible on the train (especially when we ended up in the Quiet Zone carriage!), that lots of members of the public commented on what fantastic children they were and how lovely it was chatting to them. They made us very proud. A big thank you to all the parents who came with us. We couldn't do this without you, so you are very much appreciated.

Reports to Parents – These will be coming home on Monday 15th July – please look out for them.

Parents' Evenings - Are being held on Wednesday 17th and Thursday 18th July. We will be sending a link to your mobile phone which will take you to our online booking system to select a time that is convenient to you. The link will be sent on Friday 28th June.

Please follow these simple steps to book your slot:

1. Click the link that you receive through text, to take you to the confirmation page. You will need internet access to do this.
2. Enter your child's first name to continue. If you have more than one child, any of their first names will work.
3. Next you will be taken to the booking page. This will show your children alongside all of the teachers that you can book in with.
4. Click 'Please Choose', to be shown a list of available times that you can click to book. This will even give you the option to add any notes that you might want the teacher to see before the meeting.

5. After you have entered any notes, please click 'Book this Slot' to complete your booking. When the button has turned green you know your booking has been made.

6. At any time before the Parents Evening, you can click the link on your phone again to check your booking time or even un-book by clicking the green booked button.

There is also a copy of the above information on the school website – parents tab - parents' evenings. If you do have any difficulties please contact the school office who will help you.

Curriculum News - What a busy couple of weeks we have had, getting started on our new projects. In FS2 the children are finding out all about the People Who Help Us. Dragonflies performed an excellent assembly this morning, showcasing their learning so far. Y1 are creating characters and writing stories for their Jackanory story, whilst Y2 have travelled virtually to New Zealand and are busy finding out about the island nation. Meanwhile, in Key Stage 2, Year 3 are discovering the Lake District and finding out about its geography; Y4 are creating poetry and finding out about animals; Y5 are 'In a state' learning about materials and how they react, exploring mixtures, solutions and how these can be separated and last but not least, Y6 are embroiled in a 'Whodunnit?' mystery, trying to find out what has happened to the missing ring – some exciting ideas and excellent writing are already emerging. The children are enjoying their new learning and have been keen to share their work - we are already looking forward to some exciting outcomes.

Toys and other items – Children are gently reminded that they should not bring toys and other items into school unless it has been specifically requested by the class teacher or another adult.
