

STOP BULLYING

Anti-Bullying Day – We have recently held an anti-bullying day. Our definition of bullying is:

“Bullying is behaviour by an individual or group, repeated over time, that intentionally hurts another individual or group either physically or emotionally.”

In order to help the children understand this, we use the term STOP (Several Times On Purpose).

We believe that bullying can take many forms (for instance, cyber-bullying via text messages, social media or gaming, which can include the use of images and video. We talk to the children, advising that it may include: spreading rumours about an individual or group, physically hurting or name calling. Please do talk to your child about what they believe bullying is and what they should do if they become aware of it.

Attendance and Punctuality – Good qualifications, understanding responsibility, making friends and having the chance to grow as an individual are all important ingredients in a child’s educational experience. For this to happen, children need to attend school regularly.

We operate a first day calling system. This means we ask you to phone the school on the first day your child is absent. If we have not heard from you by the start of the school day, the School Attendance Office (Mrs. Friend) will contact you to check the reason for your child’s absence.

We have an answer machine in operation 24 hours a day, so it is easy for you to notify us of a child’s absence. Please phone the school and leave your child’s name, class and reason for absence.

Did you know the following:

1 day off per school year = 99.5% attendance

10 days off per school year = 94.7% attendance

20 days off per school year = 90% attendance.

90% attendance sounds good, but means that your child misses on average:

- a whole year off school by the time they complete their education
- one half day every week
- nearly four weeks every school year
- over one school year in a school career.

Children with poor attendance fall behind with school work.

Please note if your child gets an unauthorised late mark this will affect their overall attendance. All children should be in class by 8.50am. Lateness is detrimental to your child’s learning as they miss the vital part of the lesson.

Whole school attendance on Friday 9th November = **95.9%**

Open Morning – Lots of parents came in to our open morning for the ‘A’ classes. This is such a fantastic opportunity for you to come in and see what your child does in lesson, get a chance to see the learning in action and take part! We asked parents what they thought and they said:

“ The children were really well organised..”
“The use of resources to inspire the children using books, video and thesaurus really did help their learning.”

“The class were very well behaved, the children were listening and paying attention.

“It was great to be able to join the lesson and to see how well the children work and how great the teachers are.”

“Being able to come in helped me to understand the learning process and see the classroom routines. Thank you for letting us come and watch – such a joy.”

The other classes will be holding open mornings on:

‘B’ classes – Tuesday 13th November (9.00 – 10.30am)

‘C’ classes – Tuesday 20th November (9.00 – 10.30am)

Parents’ Evenings – These will be held on:

Wednesday 14th November (3.30 – 6.30pm)

Thursday 15th November (3.30 – 7.30pm)

We use an online booking system which you are able to access via a link on the school website, or it can be directly accessed via <https://mppsparentsevening.youcanbook.me>. If you access the web address, you then select your class and book your appointment slot (at this point you will need to enter your child’s name, give an email address and enter the security code). Once you have confirmed the slot, you should receive an email confirming your appointment time. In order to access via the website: go to the parents tab on the home page, drop down to the parents’ evening tab, click on the icon, select your class and book your appointment. If you cannot access the online system then you can contact the office and they will be able to help you.

If you are able to offer any time we would love to have you on board and it is also a great chance to meet other parents and carers - and get in the mood for Christmas!! If you are interested then please let reception know. And save the date in your diary!!

Bags To School – The collection will be on Thursday 22nd November at 9.00am.

Curriculum News – We are now two weeks into our new projects. Across Key Stage 2 the children are immersed in finding out about the past through their History led projects. We have met some interesting characters around school, as the children discover characters from long ago. The children are enjoying their new projects and talking enthusiastically about their learning. They have been finding out lots of interesting facts and sorting fact from fiction - I learned this week from year 5 that Viking warriors did NOT all have horns on their helmets! Please talk to your children about what they are learning and perhaps look up further information together on the web or visit the library. In Year 2 the children are beginning their new Wacky races project, finding out about wheels and axles and building buggies to win the Race of the Year. The SLT have shared their buggies – the children will be able to tell you which one was the most successful and which was the most nicely decorated. In Year 1 the children are beginning their Art Attack project and will be finding out about a range of artists and their work before producing their own masterpieces, whilst FS2 are continuing to enjoy traditional tales and learning about a range of characters in Once Upon A Story. You will be able to see some of the new learning during Parent's evening next week – we hope to see you in school.

Safeguarding – We take our safeguarding responsibilities very seriously. Should you have any concerns about a child then please ask to speak to a member of the school staff or Mrs. Smith (Designated Safeguarding Lead & Deputy Headteacher).

Dogs on the playground – We do ask that no dogs come onto the school playground or site, even when held in an adult's arms. We have several children who are quite frightened of dogs.

End of term – The last day of term will be Friday 21st December. We will close at the usual time.

Hello, my name is Teresa and I am a childminder in Charminster with two other assistants and we are available for after school care and care in the holiday time as well, Monday to Friday 8 to 5. Although other times can be arranged if needed.

We have two playrooms in my house a downstairs one for the slightly younger children and an upstairs playroom for school children only, they also have use of the lounge, kitchen for snacks and activities and I have a large open garden that we love to use as much as possible.

We provide a safe, happy, friendly and calm environment for the children in my care, where they will be able to explore new learning experiences through trips, activities, daily routines and meeting other children.

In the holidays we go out as much as possible, with the use of my 9 seater car and my assistant car too and sometimes we use the bus or walk as well, to a range of different places like Farmer Palmers, beach, Oceanarium, many soft plays, Moors Valley, county parks, library, parks, Marwell Zoo, Safewise, Brownsea, Monkey World, Activate, Honeybrook farm and lots more! We also try and do a range of activities when we are in like messy play, painting, cooking, crafts, dancing, lots of different playing and lots more.
