Dear Parents,

We write to inform you that we have now concluded the consultation process with regards to the proposed Riggs expansion. May we take this opportunity to thank you for your highly valued input and assistance to help the school make the right decision. Your responses were overwhelmingly in support of the proposal. We are therefore delighted to inform you that we will be proceeding with the Riggs expansion.

During the consultation process, the location of the new facility was very carefully considered. We have concluded that the right location for this, is adjacent to the existing mobile. This is the right location as it ensures that spaces throughout the school will operate effectively both now and in the long term. This includes external space, which is of great importance to curriculum delivery, health and wellbeing. Should you have any specific queries, do please feel welcome to contact Ian Carnwell, who is the estates lead for Reach South, at ian.carnwell@reachsouth.org.

May we wish you all a very good summer break and we look forward to seeing you in September.

Yours sincerely

Jackie Green - Head Teacher Malmesbury Park Primary Academy
