

# Malmesbury Park Primary School Council

Issue 2 April 2022

Hello parents and children,

Welcome to our second newsletter. We hope you enjoy reading about what we have been up to! You will be able to recognise us by our gold and purple badges.

## Lunchtimes

Some children would like to access the library bus at lunchtimes, unfortunately this is not possible during lunchtimes. However, you can bring your reading or library bus book outside and read them on the benches by the library bus.

You should now be able to play games on the main playground at lunchtimes with our schools Bronze Ambassadors. The skills practised change half termly based on the skills being learnt in PE. The children have been learning cricket skills this last half term.

Next term, Key Stage 2 (years 3-6) will be practising athletics then multi ball skills and Key Stage 1 (years 1 and 2) will be learning multi skills.

## Walk to School

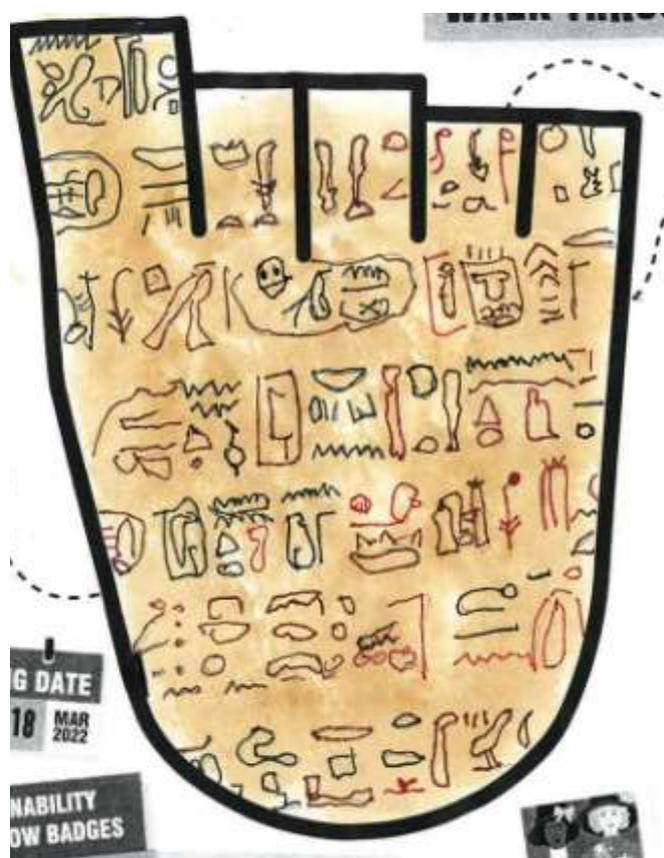

Well done everyone so far who has been taking part in walking to school at least twice a week every week. So far some of you may have seen many of these badges above, if not, please try to walk, scoot or cycle to school as much as you can. If you park and stride, it is important that you try to park a few streets away to get that exercise in!

Many of you took part in the badge competition and entered badges for next year! There were so many amazing and interesting ideas and it was so difficult to choose. Well done to everyone who entered.

The following designs were sent to Living Streets :

Garvita in York class

Hanna in Otters class

Ava in Owls class

Cleo in Southampton class

Emilia in Cambridge class

Charlie in Cambridge class

As you can imagine by the quality of these, the choice will be difficult! We hope one of our winners is successful against the other schools!

## Charities

We helped support raising money for the My Time charity with Mad Hair Day. Thank you for everyone who helped support this amazing charity which supports children who are young carers within our school community. We raised a whopping £324.81!

This year, we have also chosen to support the Health Bus Charity, which supports local homeless people. Please read more about this amazing charity on

**healthbus.co.uk**

In the Summer term, we will be having a pyjama day to raise money for this incredible charity. In the meantime, if you have any items to help the homeless people such as deodorants, toothbrushes, toothpaste, shampoos etc please speak to the office or the Health Bus charity. They would be very grateful for all support.

## Parliament

We recently had an online meeting with the Houses of Parliament. We learnt about the House of Lords, House of Commons and how people can become members as well as how laws are passed. This was an amazing opportunity for us. Please feel free to ask us more about what we learnt, we would love to share with you!

We hope you enjoyed our second newsletter! Our next issue will be at the end of the year where we will keep you updated on our further plans. If you have further ideas to improve our school, please find Mrs Keevil or one of our school councillors. We would love to hear your ideas! Have a wonderful Easter break!
