Dear Parents/Carers,

As part of our topic after the half term, Look At The State We're In: a science based project about changing materials, Year 5 will be visiting the Bournemouth Science Zone again. During the visit the children will be participating in exciting workshops about changing materials including a dry ice experience!

The trip will cost £5.00 per child; please pay through Wisepay - ask at Reception for further information about how to do this.

Tuesday 18 th June 12:45-3:00	York
Wednesday 19 th June 9:00-12:00	Liverpool
Wednesday 19 th June 12:45-3:00	Edinburgh

Children are to wear school uniform as normal, comfy shoes to walk in and outerwear appropriate for the weather. The children in Liverpool will also need to bring a healthy snack with them to eat mid-morning and a drink of water.

As York and Edinburgh need to leave early to arrive at the Science Zone in time for the afternoon sessions, they will be having lunch early - whoever has a hot school meal on that day will receive a packed lunch instead.

If you have any further questions, please do not hesitate to ask your child's teacher.

Also, if you are able to volunteer to help on this trip, please let your child's class teacher know.

Kind regards,

Year 5 Team
