Dear Ms Green,

BACK DUE TO POPULAR DEMAND

E-Safety Sessions for Parents, Grandparents and Carers at LV= Streetwise Safety Centre

Due to the success of last year's sessions, the Streetwise charity will again be running e-safety training for parents and carers this year. The first sessions will be next month on **Monday 29th February 2016**. The sessions will help to inform adults of the measures they can take to help their children stay safe online.

The sessions will be delivered by Dorset Police's Safe Schools and Communities Team.

There will be 2 sessions to choose from: **one at 9.45am and one at 1.00pm**. They will take place in our IT Suite.

Admission is £5 per person and advance booking is essential.

We would be extremely grateful if you could help us to publicise the sessions (this will also help your school to address some of Ofsted's 'Inspecting e-safety' expectations), e.g. by:

- Distributing the attached poster
- Advertising the sessions on your website
- Mentioning the sessions in your newsletter (see example paragraph below)
- Any other way you can think of!! 😊

Example paragraph for inclusion in school newsletter

"I know that many of you have concerns about the content which children and young people can be exposed to whilst online, as well as issues such as cyber-bullying and the use by young people of social media. Due to the popularity of last year's sessions, the Streetwise Safety Centre in Bournemouth will again be running 'Keep Your Child Safe Online' sessions for parents, grandparents and carers on Monday 29th February. Each session will last for 2 hours and will be delivered by Dorset Police's Safe Schools and Communities Team. The sessions will take place at 9.45am and 1.00pm (Each session will be the same so you can choose the time which is most convenient for you.) If you would like to go then you should book directly with Streetwise on 01202 591330. The cost is £5 per person."

If you have any questions please don't hesitate to get in touch. In the meantime, thank you very much for your support in helping us to promote these important sessions.

A handwritten signature in black ink, appearing to read 'A Laws'.

Mr Andrew Laws
LV=Streetwise Centre Manager

Keep Your Child Safe Online!

Calling all parents, grandparents, carers...

Dorset Police's Safe Schools & Communities Team will present a hands-on activity using computers and internet access

- ◆ How to find out about the risks of websites/games/apps
- ◆ Practical, relevant advice
