Nursery

Nursery Leader and Class Teacher
Mrs Hayes
(Tues-Fri)

Class Teacher
Mrs Keevil
(Mon, Tues)

Nursery staff
Mrs Bates, Mrs Stocker, Mrs
Sullivan and Miss Jenkins

WELCOME

We would like to welcome all of our new starters and their families.

Last Term

We hope you have had a lovely Easter break. Those who are leaving us next term, should have heard which school you have been offered a place at. Please make sure you accept the offer. This is not automatic.

Last half term we enjoyed our project "I'll Huff and I'll Puff." The children loved building houses for the three little pigs. We explored Chinese New Year and learnt that 2023 is the year of the rabbit

In our project "Spring is Sprung" we enjoyed being outside, planting seeds and learning about the life cycle of a chicken and looked at eggs when they are cracked and cooked.

An Easter egg hunt was then enjoyed by all outside!

THIS TERM:

Over the coming term we will be enjoying new projects: "Rhythm and Rhyme" - we will be looking at and learning nursery rhymes. This will be followed by "Munch, Crunch, What's for Lunch?" - we will be looking at different types of food and doing lots of tasting.

After half term we will be enjoying the projects "Summer" and "Caterpillar Olympics". We will be finding out how to keep safe in the sun, playing team games and learning new skills in throwing, catching.

We will also be helping the children who are leaving us prepare for school. There will be a set of challenges for them both at home and at nursery.

Tapestry

This is our online learning journal. The App is free to download or it can be accessed at

<https://tapestryjournal.com/>

Please keep checking your email for activation, this at times goes to your junk email.

We use tapestry to keep you updated with what we are learning in nursery and some of the activities your child has done.

Important

Please note we go out in all weathers and children have access to water play everyday. This is an important part of their development. We do not stop any child from accessing this.

Please provide suitable clothing if the forecast is for rain: wellies, waterproof coat and if you wish waterproof trousers.

With the weather getting warmer please apply sun cream before your child's nursery session. Children who are in ALL day please apply before nursery and provide nursery with sun cream so we can reapply.

Please make sure your child has spare clothes, especially pants and socks.

How to support Your child at home:

Last half term we sent targets home for all children to work on. This is to help ensure your child is school ready and helps to promote their independence. The targets for them to work on are:

- Getting myself dressed
- Using a knife and fork
- Turn take and share
- Read my name

Please share on Tapestry when your child is successful in these targets.

If you need any help or support please speak to your child's key worker or a member of nursery.

New targets will be sent out before half term.

DATES FOR YOUR DIARY:

Bank Holidays:

Monday 1st May

Monday 8th May

Half term:

Monday 29th May - Friday 2nd June

Return to Nursery - Monday 5th June
