2nd September 2021

Dear Parents of children in FS2

Starting School Information (September 2021)

We hope you have all had a restful and enjoyable Summer Holiday and like us, are looking forward to the new school year.

As you will be aware, many restrictions regarding COVID-19 have now been lifted by the government. We are mindful of the current situation regarding the rising case numbers (especially in the BCP area) and will therefore be maintaining our handwashing, sanitizing and cleaning regimes as well as continuing to limit the number of people on and visitors to the school site. We hope that you will be understanding of these and support us in keeping our school community as safe as we can.

Start of Day:

FS2 begin school at 8:45am. The gates will be open to children from 08:35 each morning. During the first week parents should escort their child to their classroom and leave them with the teacher / teaching assistant at the door. From Monday 13th September, parents should drop their children at the gate and they will be escorted to class by school staff.

End of Day:

FS2 will finish their day at 3:15pm. The gates will be open to parents from 3:05pm. Please come onto the playground, to collect your child from their class teacher.

Attendance:

It is vitally important that your child attends school EVERY day so that they do not miss their learning. Please ensure that you let school know when your child is going to be absent from school and the reason why they are absent so we know your child(ren) are safe at home with you.

- If you know in advance your child is going to be absent, please let Miss Segouini (Admin Assistant) know. You can do this by telephoning or emailing the School Office.
- If your child is ill prior to coming into school, please telephone the school office and leave a message as early as possible.

Playtime:

FS2 will have a 15-minute morning break at 10:45am following fruit and milk (supplied by school)

All children will eat in the hall and then go out to play at 12:30.
