## Nursery Fees Increase

Dear Parents/Guardians of children in Nursery,

I write to inform you that due to ever increasing costs associated with providing the high-quality childcare we provide to your child in Nursery, we are increasing our fees slightly. Having kept our fees as low as possible for a number of years, we've now reached the unavoidable point where we need to roll out a new pricing scheme. These small increases are being put in place to ensure your child continues to receive the highest standard of childcare from the best practitioners, and so we can continually enhance our nursery environment and equipment, providing children with the best setting and opportunities to learn.

This change does not affect any funded hours you may currently be accessing. If your child currently attends 15 hours or less under the universal funding or 30 hours or less under the extended funding, we will continue to claim their funding on your behalf.

Our new pricing scheme is as follows:

Sessions	Current Fees	Fees from 01/09/2021
Funded hours up to 15 (universal funding)	Claimed by us on behalf of you. £0.00	Claimed by us on behalf of you. £0.00
Funded hours up to 30 (extended funding)	Claimed by us on behalf of you. £0.00	Claimed by us on behalf of you. £0.00
Extra 3 hour morning session above 15/30 hour funding entitlement	£14.00	£15.00
Extra 30 minute midday session above 15/30 hour funding entitlement	£2.25	£3.00

The new pricing structure will be implemented from 1<sup>st</sup> September 2021. The change will be reflected in invoices provided by the Nursery from this date.

We would like to thank you for your continued support. As always, if you have any queries or concerns, please don't hesitate to contact the Nursery or Office team.

Kind regards

Mrs J Green
