Monday 2nd March 2020

Dear Parents/guardians

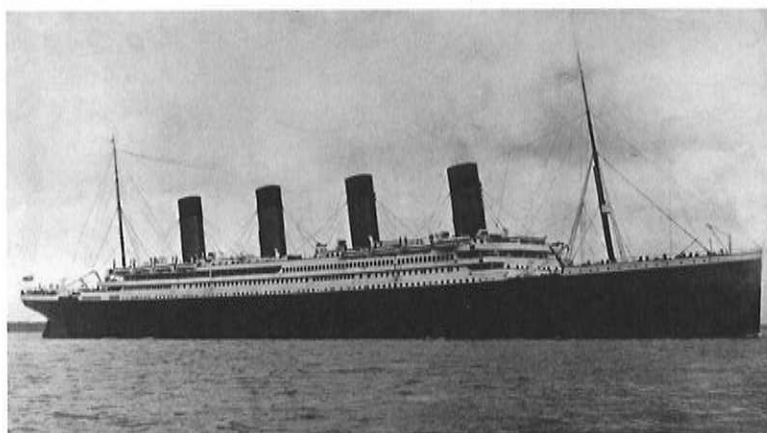

After Easter we will be beginning the learning for our much loved project 'SOS Titanic'. We were hoping to take the children to visit the SeaCity museum in Southampton but due to transport costs the trip has worked out to be too expensive. Luckily a visitor from the museum has agreed to come to us for a small charge instead. He will be running three workshops across the day where children will have the chance to dress up as passengers and crew, handle objects and even make the decisions about who should be saved by getting a seat on the lifeboats. Children will find out lots of information to help them understand the impact that this important event from history had on people's lives.

This visit takes place on **Thursday 23rd April 2020** during the school day. This is the first week of our project and will give the children the chance to learn lots to help them throughout the following weeks.

We are asking parents/guardians to contribute £5 per child to cover the cost of this visitor. This can be paid through Wisepay. If we do not get enough contributions the visit will not be able to go ahead. Please can payments be made by Monday 9th March.

Many thanks,

The Year 2 team.
