

## School Sport Premium Report September 2018-2019

### **Malmesbury Park Primary School Physical Education Vision:**

At Malmesbury Park Primary School we will support excellence in PE through promoting healthy, active lifestyles. We will do this through teaching the children new skills as well as providing children with opportunities to apply these skills to new challenging and enjoyable situations which in turn will promote lifelong learning and active participation. Through our school ethos values, we aim to develop sportsmanship, friendship, leadership and a determination to achieve in physical activities and sport.

### **Aims**

We aim to ensure that the provision is challenging and appropriate and the support mechanisms are in place to allow all to reach their full potential. The provision will be inclusive, engaging, innovative, inspiring and raise aspirations. It will provide high quality sustainable Physical Education and sport within the curriculum and out of school hours. Our action plan encompasses all the key concepts to develop pupils' competence, performance, creativity and healthy lifestyles. We aim to give a broad base of learning so that all pupils can develop interest and understanding in many different areas inside and out of school. We will also provide high quality continuous professional development (CPD) for all teachers and other adults involved in the delivery of PE and school sport, building sustainable professional learning networks. This includes effective school to school support and families of schools working together. The children will develop the skills, confidence and relevant experiences to succeed at their chosen level and discipline. They will be inspired to rise to the challenge of competition and participate competitively so they become physically literate and active for life.

### ***Malmesbury Park Primary School aims to deliver the following outcomes through the 'Sports Premium' funding:***

- Increased opportunities for competitive sport both within school and outside of school. Our children of all ages will attend regular sport tournaments, festivals, leagues and competitions across Bournemouth and Dorset. We train our teams in order to pursue sporting excellence and look for opportunities to provide more able children challenging sporting and leadership experiences.
- Improved quality of teaching and learning in Primary Physical Education, including more dynamic exercise in lessons. We procure quality assured professional training for staff to raise their confidence and competence in teaching PE and sport resulting in Quality First teaching for all children in their PE lessons.
- Improved quality and breadth of PE and sporting provision, leading to increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performances levels they are capable of. We renew and refresh our PE equipment, making sure that the equipment offered to the children is of the highest quality.
- Paying for / subsidising the cost of extra curricular clubs taught by coaches and staff members targeted specifically at children who are keen but had not previously been participating in extra curricular sporting opportunities

Malmesbury Park Primary School is committed to providing high quality Physical Education, healthy active lifestyles and the opportunity for competitive school sport.

We are fortunate to have been guaranteed additional funding to establish provision that is sustainable in the long term.

**2018 -2019 We use the funding in our school in the following ways:**

### **Government Sport Premium Funding 2018-2019**

**£21,350**

<b>This year we have</b>	<b>Impact and sustainability</b>	<b>Budget Cost (to July 2019)</b>
Provided individually tailored, high quality CPD opportunities	<p><b>Sustainability</b> So far teachers from years 1,2,3,4 and 5 have benefitted from this training. Using their expertise, they will work alongside other members of their team to support the planning and provide advice. Active Dorset PE, Health &amp; Wellbeing Conference</p> <p>Bournemouth PE Leaders Network – Delivered by Bournemouth Sports School Games Organisers</p>	£550
Extend afterschool clubs including provision for KS1/KS2	<p><b>Impact</b> Clubs have been established 5 days a week for KS1 and KS2. The range of free clubs has been greatly extended and have included: (2 x £3500)</p> <p><i>Multi skills</i>  <i>Football</i>  <i>Basketball</i>  <i>Netball</i>  <i>Football</i>  <i>Tag rugby</i>  <i>Kwik Cricket</i>  <i>Rounders</i>  <i>Change for Life</i>  <i>Athletics</i>  Maccabeats (Dance)  Winton Arts Festival for dance  Wheels (skateboarding, scooting, cycling etc.)</p> <p>The clubs are always well attended with some clubs having waiting lists. This has resulted in greater participation across the school from KS1 upwards. It has also resulted in enjoyment by greater numbers of children across the school, leading to the promotion of healthier lifestyles etc.</p> <p>We have targeted pupil premium children, finding ways to ensure that they are encouraged to participate fully in the opportunities school provides for them.</p> <p><b>Sustainability</b>  Clubs are run by Bournemouth University students employed by MPPS on placement. This is the fifth year of this project and the success of the project has led to its sustainability. This is the fourth year the students have run the clubs and the success of the clubs will ensure that the project continues.</p>	<p>£7000</p> <p>£500</p>

Physical school opportunities for children in the Riggs and LEAPS classes.	Children in the LEAPS class have an individually tailored PE session delivered by Bournemouth University (BU) students. A number of our SEND children will attend Victoria Special school for a new opportunities day specially tailored to meet their individual needs. <b>Sustainability</b> This is the third year we have attended the 'new opportunities' day.	£200
Key Stage 2 inter sport competitions (transport – ground hire)	Pupils in KS2 have participated in a number of tournaments in local schools. This has raised self-esteem and raised the status of sport in our school. We celebrate and recognise the participation and achievement of our team members in match reports in assemblies and newsletters to parents. These were our achievements this year <b>Football – Boys Year 6</b> <b>Football – Year 5 boys</b> <b>Football – Girls Year 5/6</b> <b>Netball – Girls/Boys</b>	£1500
Key Stage 2 Sports Day Winton Recreational Ground	Years 3 to Years 6 take part in in an afternoon of sporting activities. Hire of ground and field makings. <b>Sustainability</b> Teams and squads are trained by our BU students. We are searching for ways to extend and develop the squad practice in order to extend our sporting success	£300
Purchase new small equipment	<b>Sustainability</b> We will continue to audit our equipment, purchasing new and updating where and when necessary.  Upgrading / designing playground markings (2018 – 2019): Foundation ( line – curve – shape - colour patterns ) KS1 ( snake patterns – line patterns – shape patterns ) KS2 ( obstacle trail )	£3000  £1500 £2500 £2500
Introduction of sports leaders	This is the fourth year we have had sports leaders from years 5 and 6. The sports leaders have been trained by the 'School Games Organisers' to become 'Bronze Ambassadors.' Through their training, they have developed their personal skills of leadership in PE They have started to promote and encourage active lifestyles. They will begin their role this term and will be encouraging greater participation in games on the playground. <b>Sustainability</b> Sports leaders for the academic year 2018 -2019 will be selected this year in preparation for September. Further training to the sports leaders will be delivered by Bournemouth Sports School Games Organisers	£400
Change4Life Programme	Promote a healthy living agenda and lifestyle – Establish Change4Life programme for all children –on occasions targeting specific groups - disadvantaged children. <b>Sustainability</b>	£1400

	This is a cost, that involves implementing resources in our library bus - information books / use of ICT for healthy lifestyles – and interactive resources which include healthy eating. These activities will be popular with the children and staff alike.	

**This academic year we intend to continue to use the funding in the following ways**

- Continued CPD for individual teachers (KS1 and KS2)
- Monitoring / CPD for PE throughout the school - release of PE co-ordinators
- Plan / design playground markings
- Resource sports kits (uniforms - equipment) for team sports
- Pay for transport to access competitions
- Development of Inter School competitions - equipment
- Development of Sports Ambassadors and key skills
- Development Bournemouth University Students - Class support - Change 4 Life - sports clubs
