WELCOME BACK:

We hope you have all had a good break after a busy and exciting autumn term. Thank you for the support you have given the children with their learning at home-it really does make a difference. If you have any questions or concerns about your child or their learning, please do not hesitate to speak to your child's class teacher or the Year 1 Year Team Leader Mrs O'Connor.

THIS TERM:

We will continue to complete daily phonics, reading, writing and maths lessons. In Science we will be learning about Amazing Animals until half term. We will be learning about different types of transport and travel in our History lessons after half term.

HOME LEARNING:

On a Thursday, children will continue to be set project and maths home learning tasks. These can be completed online or in the orange home learning books and returned by the following Wednesday. Some project tasks may now need to be completed over a number of weeks, linked to what the children are learning about. Reading at home is an important way to support your child. Please read for 10 minutes a day and record this in your child's reading diary. Children could read their Book Bag Book or the book set on Oxford Owl.

REMINDERS:

- Please make sure your child has a named water bottle to bring to school each day.
- Please name all school uniform.
- Children will need their reading books and reading diaries in school every day to read independently or with an adult.
- Children are unable to be given a new reading book until their current book is returned to school

DATES FOR YOUR DIARY:
