WELCOME:

A very warm welcome to Year 2. We are looking forward to working with you and your children this year. If you have any questions or concerns, please do not hesitate to speak to your child's class teacher or the Year 2 Year Team Leaders Mrs Gaunt and Mrs O'Connor.

THIS TERM:

Our first project in Year 2 is Beware Learning Zone. As part of this project the children will be:

- Making decisions about the displays in their classrooms.
- Considering their roles and responsibilities within the classroom.

Later in the term we will be enjoying new projects: Awesome Authors, Wacky Races and Mele Kelikimaka.

We are looking forward to:

- Designing and making a story box.
- Creating a buggy to take part in the race of the year!
- Finding out about different Christmas traditions around the world.

In maths we will be starting the year by looking at numbers up to 100 and the place value of two-digit numbers. We will then go on to adding and subtracting two-digit numbers.

HOME LEARNING:

Your child will be given spellings to practise. These will go out every Monday and the children will be tested the following Monday on these words. Project based learning and maths tasks will go out on a Friday and need to be returned by the following Wednesday.

Please continue to read with your child as often as possible and record in the reading log. In Year 2, comprehension skills are an important part of reading. Please encourage your child to answer questions about what they have read.

REMINDERS:

PE takes place on Wednesday (indoor) and Friday (outdoor). PE kits can be worn into school on these days.

Please remember to provide your child with a water bottle for during the school day. If you have not ordered a school packed lunch please ensure you provide a packed lunch for your child.

PARENT HELPERS

Due to current restrictions unfortunately we are unable to have parent helpers in to school during the autumn term.
