WELCOME

Welcome back after the Christmas holidays we hope you all enjoyed the break. We would like to welcome all our new starters and their families.

Last term we enjoyed making new friends and finding out about each other, learning about Diwali and creating fireworks pictures. We loved visiting the woodland, having our craft session and performing on the stage. During our project Room on the Broom we loved mixing colours and making potions. We have been busy mark making and trying to write some letters. Learning our numbers and recognising the numerals.

We do go outside in all weathers and have a free flow environment which means children can chose between the inside and outside. It is therefore important that all children have a warm waterproof coat in nursery and wellies. If you wish to send in waterproof trousers please do so. We do ask that you label everything! Before sending in a new coat, trousers or wellies get your child to practise putting them on and off.

THIS TERM:

Over the coming term we will be enjoying new projects: "I'm going to eat this ant!" We will be looking for minibeasts and searching for them in the playground and woodland. Measuring an anteaters tongue, making sandwiches and thinking about our favourite animal.

After half term our project is "The Journey Home" We will be looking at animals which live on a farm, the life cycle of a chick, looking at where we live and who is in our family.

Tapestry

This is our online learning journal. The App is free to download or it can be accessed at <https://tapestryjournal.com/>

Please keep checking your email for activation, this at times goes to your junk email.

We use tapestry to keep you updated with what we are learning in nursery and some of the activities your child has done.

Games Home

This half term children will have the opportunity to bring home a game. This is for you to play together as a family. This helps to develop turn taking skills, communication skills and problem solving. Please leave a note if you find any pieces missing when a game comes home. Key groups will take it in turns to bring a game home. Therefore your child should have a game once over the half term.

How to support Your child at home:

Last term we sent targets home for all children to work on. This is to help ensure your child is school ready and helps to promote their independence. The targets for them to work on are:

- Putting their coat on by themselves.
- Using a knife and fork

- Drinking from a cup
- Using the toilet on their own.

Please share on tapestry when your child is successful in these targets. We also share ideas linked to our learning on Tapestry.

If you need any help or support please speak to your child's key worker or a member of nursery.

New targets will be sent out before half term.

DATES FOR YOUR DIARY:

Half term- Monday 12th-Friday 16th February.
INSET Day 9th February, 19th February

Return to Nursery - Tuesday 20th February

World Book Day 7th March

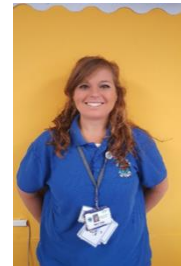

End of term; Thursday 28th March

We have had some changes to staffing since last term.
